# Jubilee Gardens Ely

The Gardens were opened by HRH The Duke of Edinburgh on 11 February 2002 to celebrate the Golden Jubilee year of HM Queen Elizabeth II.

The Friends of Jubilee Gardens Ely were formed in 2003 to provide continued public participation in developing and maintaining the Gardens and also to extend awareness of, and encourage pride in, the Gardens.

We are keen to welcome new members. Anyone who has an interest in gardens and/or the importance of attractive public open spaces to the community is invited to join using the attached Membership Form.

The formal aims of the Friends of Jubilee Gardens Ely are to:

1. Provide a forum for continuing public participation, in partnership with the Garden's owners, in the development and maintenance of the Gardens;
2. Extend awareness and encourage pride in the Gardens;
3. Ensure that the Gardens provide public enjoyment for present and future generation.

*Jubilee Gardens Ely lie between the River Great Ouse and Broad Street, providing a "green link" from the river via The Park, up to the Porta and the Cathedral.*

*The Gardens were developed by East Cambridgeshire District Council following broad-based public involvement.*
